

Where *The Corners Meet* Quilt Guild

From the President

What a beautiful end of summer we have had! As I write this, the daytime weather is still warm, and I anticipate a glorious fall season.

Quilt Guild will only add to the good things happening. We are looking forward to the October meeting. Certainly one good thing is when we see all the dolls/stuffed animals with quilts that come in, and which will make the lives of children happier this Christmas. That surely is a good thing.

I am also looking forward to the program Sandy Lord will have for us, and learning about color. I can always learn more, and that is a good thing, too.

Don't forget the Quilt Show at Brady's Run from Oct. 12 to the 14, and there is a bus going to the Paducah show in April. You can contact Shaffer's Countryside Quilting for more information about that.

See you at Guild. **Rose Lawton**

October Program

At our October meeting Sandy Lord will present a program on color. She starts with the three primary colors and shows us how we get every other color in the color wheel plus what we should select to make our fabrics pop. Anyone who has a project that they need help in selecting color...bring it to guild on the 9th. Sandy will also have fat quarters for sale.

Our fat quarter drawing will be Halloween colors and prints.

As you finish your monthly blocks bring them in for everyone to see.

* Please note: the Finish It project will be extended to November. So you have an additional month to get your projects finished.

Bring in your doll quilts and dolls or bears. They will be taken to the Children's Aid Society in Mercer and the Women's Shelter in New Castle.

October 2007

Where The Corners Meet Quilt Guild meets the second Tuesday of each month at 7:00 p.m. in the basement of the Sky Bank building in New Wilmington, PA.
