## *November Program*

November is the catch up month. Things are due now... like the "Get To It" projects. Bring in your project(s) for us to see. If you haven't finished the project(s) you said you were, then bring your \$5 per project and enrich the guild's coffers.

We'll be playing Fat Quarter Lotto; bring as many fat quarters - spring fabrics - as you want to wager.

If you did the block of the month project, bring in your tops for us to see.

Finally, we'll be electing new officers for 2009. Please give a thought to taking part in the planning and operation of the group. The same people can't do it all the time. We need new ideas for programs and we should all take part in keeping the guild going.
