

# Where *The Corners Meet* Quilt Guild

## *From the President*

Here it is September again. And, even though it has been a long time since I sent kids to school, it is like a beginning for me—more than January 1 in many ways. I get back into my “most of the year” routine when fall rolls around.

For us quilters, that means getting back to our projects, and perhaps starting some new ones. I know I have some catching up to do, and I also have some big ones that I “intend” to do in the coming months. I saw a pattern this summer that I thought would be wonderful in batiks, so I came home with the pattern and a bag full of batiks. Now I know I have to make the quilt, because I already spent the money!

As I write this, the Lawrence County Fair is over, and the Canfield Fair is soon to come. At least two of us entered items in the LCF; Gail Court and myself. We both came away with a number of ribbons. (Gail: more entries, more awards.) I expect to see quilts entered at Canfield, at least by our excellent quilters across the Ohio line.

I strongly encourage you to enter your projects in your local fair. If nothing else, it will boost the quality of entries, because I know your expertise is top of the line. When I first entered items at Lawrence County, it was mainly to ensure that there would be more than one entry in a category, just to fill up the racks. Now, that's not a concern: the racks are crowded. Maybe they will have to devote more space to these displays. I hope so.

And, don't forget your other projects, too. While I was gathering up my quilts, I spied the pillow we made early in the year when Sandy Lord had the program. It got a blue ribbon! I would have loved to have seen half a dozen of them there!

So, congratulations to all who enter, and let's let the world know what we love to do!

I'll see you in September. We will have a fat quarter lot-tery, with the theme of primary colors. Whatever you have in red, green, yellow, blue. (I know green is blue and yellow, but bring them anyway.) Prints or solids.
